THE BOLD LOOK
OF KOHLER®

Welcome to KOHLER®, where bold thinking and rigorous craftsmanship combine to bring innovative, beautiful design to life.

We're celebrating 140 years of setting the standard of excellence and pushing the limits of design. Whether we're creating kitchen and bath products, tile and furniture collections, engines and generators, or four-star resorts and championship golf courses, our work is born from a desire to design experiences that make the world more gracious.

After four generations, we remain a family-owned company. Bolder than ever.

A HISTORY OF INNOVATION

1873

KOHLER® Co.
is founded by
John Michael
Kohler in
Sheboygan,
Wisconsin.

1883
An enameled cast-
iron horse trough/
hog scalding is sold
as a bathtub.

1905
Walter J. Kohler
is elected
as company
president.

1911
KOHLER® Co.
introduces the
industry's first one-
piece built-in-bath
with an integral
apron.

1920
KOHLER® Co.
enters the Power
Systems business.

1926
KOHLER® Co.
opens a plant in
Village of KOHLER
to manufacture
faucets and brass
accessories.

1927
KOHLER® Co.
begins production
at its new
pottery building,
capitalizing on
a technological
breakthrough,
KOHLER® Co.
offers Cast-Iron
and Vitreous China
plumbing products
in matching pastel
colors.

1937
Herbert V. Kohler,
Sr., is elected
President of
KOHLER® Co.

1948
KOHLER® Co.
begins producing
and marketing
small engines.

1965
Introduction of
bathroom fixtures
in "accent" colors,
more vibrant than
the pastels of the
1920's.

1967

New concept of
boldly colored
products under
the tag line THE
BOLD LOOK OF
KOHLER®.

1972
Herbert V. Kohler,
Jr., is elected
Chairman of the
Board and CEO.

Sterling Faucet
Co.; first
acquisition of
KOHLER® Co.

1st step in Europe
with acquisition
of Jacob Delafon,
a leading French
plumbing products
company.

KOHLER® Co.
opens its first golf
course.

1988
KOHLER® Co.
expands European
offices and
distribution to
include Oer-
Erkenschwick,
Germany.

Mira, the
leading shower
manufacturer in
the UK, becomes
a KOHLER®
company.

2001
KOHLER® sets up
office in India.

2006
KOHLER® sets up
the first vitreous
China plant in
Jhagadia, India.

2007
The European
warehouse opens
in Passel, France.

2008
David Kohler is
named President
and Chief
Operating Officer.

2010
The second
KOHLER® plant in
Jhagadia, Gujarat,
India, is completed
and begins
manufacturing
faucets.

KOHLER®
celebrates the
grand opening of
its first office in
Johannesburg,
South Africa.

2014
David Kohler
elected as
President and
Chief Executive
Officer.

2015

2009

Understanding YOUR SPACE

There are a lot of elements to consider when planning your new bathroom. In this book, you'll find everything you need to start your project and make your design process easier. Learn about the quality of KOHLER® materials, the unique technologies that only we can offer and our distinctive, award-winning designs that will bring your vision to life.

TRENDS *to inspire*

What's trending? And where do the edges of those trends begin and end? The edges that are swept up and championed by the mainstream, and those that push forward to create new expressions in the world. These are the questions that, as designers, we ask at the outset of every project.

At Kohler, trends in lifestyle, fashion, cuisine and culture influence the details of our work. From technologies that redefine the living spaces to materials and colourising in the zeitgeist, we study these movements.

This book represents the current and emerging trends we've identified as the most compelling for your bathroom spaces. Enjoy!

WHITE *on white*

A color for every season, white can be crisp and cool or soft and warm. Our white bathrooms reflect a broad spectrum of design vernaculars that often use white as a foundational element.

WHITE Bathrooms

White is full of wonder. It's an unmarked canvas. A liberating absence that feels like permission to let our minds and creativity roam free. Layer in texture and detail, all in complementary shades of white, and you suddenly have a rich, subtly complex space that still evokes a sense of freedom and possibility and invites you to let go. And like many timeless trends, the nuance of white lends itself to a wide range of design aesthetics. From simple Nordic spaces to grand rooms with coffered ceilings and wainscoted walls, white plays equally as well with everything.

ROYAL RICHNESS

The geometrical lines of Loure combined with the contemporary minimalism of Veil create a bathroom which is modern yet timeless.

LOURE® & Veil™

1 | Loure wall mount basin faucet (K-14602IN-4-CP) | 2 | Veil Vessel (K-77171IN-0) | 3 | Veil Intelligent wall hung with faceplate (K-5402K-0) | 4 | Loure Multi-function Square Rainpanel (K-97167IN-CP) | 5 | Shift square handshower (K-14788IN-CP) | 6 | WaterTiler 54 nozzle bodyspray (K-8022-CP) | 7 | Flipside showerhead (K-5513IN-CP) | 8 | DTV+ Digital interface (K-99693-NA) | 9 | Loure 3 hole Deck-mount bath faucet (K-97910T-4-CP) | 10 | Consonance (K-1111-VLN-0)

BLACK *on black*

Simply put, black captivates. From sumptuous obsidian surfaces to tone-on-tone wall coverings, black infuses each of the three bathrooms that follow with powerful distinctive personalities.

BOURBON & bronze

A celebration of craft and design, this powder room is elegantly simple at first glance. Rest your eyes for a moment longer and layers begin to reveal themselves. Rich amber plays across the surface of the sink while the black-on-black wallpaper pattern brings depth and drama to this dark, moody space.

CLASSIC ELEGANCE

Add a touch of class to your bathroom with a range of Black products that standout for their exceptional design, peerless performance and ease of use. With a design philosophy rooted in minimalism, this sleekly designed ensemble is sure to transform your bathroom into the epitome of modern elegance.

playful PATTERN

A pattern is an endless playground that designers love to get lost in. Our collection of patterned bathrooms couldn't be more varied. What unites them is a clear appreciation for the way in which patterns tell the story of a space.

PATTERN

A pattern is an endless playground that designers love to get lost in. Our collection of patterned bathrooms couldn't be more varied. What unites them is a clear appreciation for the way in which patterns tell the story of a space.

CLEAN LINES FOR CLASSIC LIVING

The elements in this suite boast of seamless surfaces with clean edges to accentuate their symmetry. This combination lends to your bathroom a touch of sophisticated essentialism, and celebrates the simple elegance of clean lines.

COLOR

The bathrooms that follow invite you to lose yourself in the power of color. They beautifully express color's ability to shape both the mood of an environment and the way we move through it.

COLOR

Color trends tell us something about ourselves as a global community. What we value and how we're feeling collectively shows up in the colors we're drawn to for our clothes, our homes or gadgets. There's a luxurious thoughtfulness to the colors we see trending today. Vivid greens, deep pinks and velvety blues are making a name for themselves in bathroom design. These luscious hues bring rich depth and dimension to your space.

PERFECT HARMONY.

Contemporary interior design has an infinite variety of expressions. The Presqu'ile and Symbol Suite discover the potential of new and inspiring designs while staying true to the craft of minimalism.

SYMBOL® & Presqui'le

smoky SULTRY

Smoldering with brass and copper highlights, a smoky palette breathes new life into the bathroom. Edgy and sophisticated, the rooms that follow feature rich hues from hickory to mahogany that glow with quiet vibrancy.

SMOKY

Golden caramels, cherry mochas and dark chocolates – flavorful shades you can find in abundance in our smoky palette. Calling to mind worn leather, polished wood and amber pools of light, smoky has an undeniable sex appeal.

As bathroom environments begin to feature characteristics more familiar to libraries or dens, it's no surprise that smoky hues and their sultry luxury have also gained favor.

SIMPLY. STYLISH.

As the original minimalists, the Japanese know a thing or two about beauty and simplicity. Nowhere is this reflected more than in this suite. Its sensitive essentialism adds a sartorial touch to your bathroom that is as understated as it is graceful.

AVID® & Escale

1 | Avid™ Tall (K-97347IN-4-CP) 2 | Escale™ Vessel (K-19034W-00) 3 | D3 faceplate (K-75891IN-M-CP) 4 | Escale™ Wall-hung (K-16817IN-SR-00) 5 | 15" Ultra-Thin Square Rain Showerhead (K-9301IN-CP) 6 | Beltou™ Recessed Thermostatic 3 way Trim (K-99866IN-9-CP) 7 | Avid™ Deckmount Bath Faucet Trim with Handshower (K-97360T-4-CP) 8 | Evora Dual System (K-18749X-0)

Toilets

KOHLER® toilets are offered with a variety of performance-driven flushing systems that are engineered to meet your particular demands. Whether your needs are based on extraordinary flushing power or complete, quiet performance with added comfort, KOHLER toilets provide the perfect solution. Select models integrate with KOHLER suites and ensembles to create a unified look throughout your bathroom.

WHAT'S **NXT** IS ALREADY HERE

With a performance of more than double the industry standards the KOHLER® NXT Range announces the future of flushing. Now, never look back.

ENGINEERED FOR FLUID DYNAMICS

The rim guides the water jets to create a high velocity stream hitting the bowl at high pressure.

INTELLIGENT POWERJETS

By controlling the time gap between two major jets the waste is completely removed from the bowl. As the rear jet pushes the waste down, the front jet joins in and creates a powerful deluge to throw the waste 60 feet away into the drain.

SCIENTIFICALLY DESIGNED SUMP

Waste matter slides away due to the design of the toilet engine. The sump is scientifically designed, with a backward slope that shifts the lowest point beyond visible range.

ENHANCED PERFORMANCE STANDARD

Heavy waste flushing performance

ASME
standard 350g

NXT Toilets flush 2X
more waste compared
to industry standard

Light waste flushing performance

95% waste removal
in single flush as
per ASME

99.88% waste
removal in single
flush in NXT Toilets

Class Five™

**ENGINEERED FOR
EXTRAORDINARY PERFORMANCE**

KOHLER® toilets with Class Five™ technology are engineered for extraordinary bulk flushing performance in commercial and residential settings. With performance that reflects the raw power of white water rapids, these toilets feature one of industry's leading 82.5mm flush valves.

Its efficient direct-fed jet maximizes water flow and allows for an eco-friendly 5.3 liter flush setting option.

CLASS FIVE™ EST		
KOHLER		
Bulk Removal	•	
Cleanliness	•	
Quiet	•	
Water Savings	•	
Price	₹₹	
Net	Medium	Good

Every KOHLER® toilet seat with SafeShield technology is infused with nano silver ions (AG+) that keep it 99.9% free from bacteria, including highly resistant strains like E.coli. With SafeShield, KOHLER ensures a superlative standard of hygiene.

POWERECO FLUSH, A CUTTING-EDGE FLUSHING TECHNOLOGY THAT DELIVERS BEST-IN-CLASS RESULTS.

Superior engineering enables twin streams of water to be channeled along either side of the rim till they merge in the front. The resultant wave is so powerful that it removes bulk and light waste in one go while consuming less water 2.6L/4L).

- Six times better flushing performance for bulk waste.
- 30 times more efficient light waste removal.

CHOOSING YOUR TOILET

CONSIDER YOUR SPACE

RECTANGULAR

- Rectangular shape for larger spaces and contemporary aesthetic

ELONGATED

- Measures 473 mm or more
- Fits most residential spaces
- Provides added room and comfort for adults

ROUND - FRONT

- Measures 425 mm or less
- A good solution for small spaces

TOILET SPACE

Incredible performance. Award-winning design. Innovative technology. With KOHLER® toilets, you can count on it all. Our range of stylish water-saving toilets give you powerful and efficient performance with the cleanliness and comfort you want.

CONSIDER STYLE & CLEANLINESS

INTELLIGENT TOILETS

- Fully automated toilets come with motion sensors, automatic flush and advanced bidet functions

WALL-HUNG

- Mounts to wall for easy cleaning beneath the toilet
- Tank and mounting hardware are concealed behind the wall

ONE-PIECE

- Integrated tank and bowl offer a seamless easy-to-clean design
- Fewer creases for dirt and germs to hide

TWO-PIECE

- Separate tank and bowl design
- Features DryLock system to prevent water leakage

WALL-HUNG WITH EXPOSED TANK

- Mounts to wall for easy cleaning beneath the toilet
- Exposed tank option

BOLD INNOVATION

INTELLIGENT TOILETS

KOHLER® intelligent toilets combine innovative design, technology, personalized cleansing into stunning styles. From striking forms to programmable settings, our intelligent toilets bring a new level of everything you desire in a toilet - intuitive, intelligent and eco friendly.

ARTFUL DESIGN

Intelligent toilets feature an innovative tankless design that makes a stunning style statement in any decor while their skirted one-piece design makes them easy to wipe clean. The intuitive touch-screen remote can be mounted on the wall or handheld.

PERSONALIZED COMFORT

Control your preferences for a heated seat, bidet and air dryer with an intuitive touch-screen remote. A built-in LED night light and hands-free opening and closing functionality provide added convenience.

DYNAMIC CLEANSING

Offering remarkable bidet cleansing built directly into the design, intelligent toilets feature a self-cleaning bidet wand, precision air dryer and a deodorizing filter all in one.

C3™ Seats

C3 toilet seats with bidet functionality use the naturally soothing quality of water as a refreshing, hygienic alternative to toilet tissue to meet our evolving sense of clean.

CLEANLINESS

Integrated bidet functionality redefines our idea of clean. An in-tank water heater warms the water, while dual wands give a soft, aerated wash in posterior and anterior positions. A touch of the keypad controls rate and temperature of water flow.

COMFORT

C3-125, C3-225 and C3-230 toilet seats offer benefits far beyond traditional plumbing, with heated seats and a selection of water temperature and flow settings. The C3-230 have a deodorizer function, user presets and adjustable warm air drying at up to five speeds.

CONVENIENCE

Three attractive models of the C3 toilet seat allow users to achieve a new level of care. Features include a user sensor and energy-saving function, plus a nightlight and Quiet-Close™ lid and seat. The C3-230 inline heater models also feature a remote control.

INSTAFLUSH™

Presenting the best-in-class In-Wall solution to add panache to your bathroom. Just install it and secure peace of mind for years to come. KOHLER® InstaFlush tanks is engineered to perfection and boasts five key features that make it the best in the industry. It is available in both Pneumatic and Mechanical configurations.

LEAK-PROOF DESIGN

Sturdily constructed, the single body has a minimum thickness of 3.5 mm.

LONG-LASTING

Tested for over 2,00,000 cycles in Indian water conditions.

INSTANT POWERFUL FLUSHING

Enjoy a smooth actuation system and high performance even at low pressure.

EASE OF INSTALLATION

The slim design fits in 102mm wall and has flexible 4 point inlet connections.

HASSLE-FREE MAINTENANCE

The parts are easy to service and include an inline filter to prevent debris deposit.

IN-WALL TANKS

Designed to accommodate any of our wall-hung toilets, KOHLER® in wall tanks provide reliable performance and sleek styling for commercial and residential bathrooms. Minimising clutter for optimal use of space and ease of cleaning, these in-wall tanks and tank covers with dual actuation offer a modern solution.

** Fixture & Plumbing accessories, including but not limited to, grip rails, trim kits, drains: Duostrainer® sink strainers and soap/lotion dispensers; are warranted to the original purchaser to be free of defects in material and workmanship for one year from date of purchase.

During the warranty period if (in the opinion of Kohler India) the defect is due to defects in the material or workmanship, Kohler India or its Authorized Service Franchisee/Representative will, at its sole option, repair or replace free of cost, any defective component or part of the Faucet, Sanitaryware and Bathing product, subject to the terms and conditions described below:

Kohler India or its Authorized Service Franchisee solely can service/repair the Product. This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests.

- This warranty does not include payment of or responsibility for any excise duty, central taxes, state taxes and octroi or other local taxes assessed to the parts supplied, replacement unit or repaired during the warranty period.
- This warranty is not valid and in-effective, if the Products are not installed according to the instruction manual, the Product is found tempered/misused, any warranty norms are violated, Customer is unable to produce copy of invoice at the time of service visit, the breakdown is not arising out of manufacturing defect, but due to external reason such as: water impurities, masonry, electrical, plumbing error, water hardness beyond permissible limits, inadequate or excessive water pressure, non-usage of product for more than 6 months, usage of abrasive cleaners, ammonia, bleach, acid, wax, alcohol, solvent or any other non-recommended items on product, or improper care and cleaning of the product.
- Kohler India is not responsible for labour charges, installation or other incidental or consequential costs. Kohler India is not

responsible or liable for any special or consequential damages due to the defective Product, or due to defects of any component or part thereof. In no event shall the liability of Kohler India exceed the purchase price of the Product.

- Internal and external Cleaning of the products, such as In-wall tank, drain and drain plugs, aerators, shower nozzles, faucet finishes are not covered under Kohler Limited warranty.
- If the Product is installed beyond the municipal limits of Kohler India's Branch Office/Authorized Service Franchisee locations, any and all costs and expenses incurred for repair/service of the Products in respect of a) to and from travel of service personnel and b) transportation of the Product and/or spare parts and/or components from the location of Kohler India's branch office or Authorized Service Franchisee to customer's location and back shall be borne wholly and solely by the customer at the prevailing rates, and Kohler India shall not be liable for any damage caused to the Product in transit or delivery for repair.
- Warranty period will start from date of invoice and shall automatically terminate upon the expiry of the warranty period even if the Product has not been installed after purchase or has not been in the use for any part or whole of the warranty period for any reason whatsoever.
- In the event of any repairs/replacement of any parts of the Product, this warranty shall thereafter continue and remain in force only for the unexpired period of the warranty. Any time consumed for the repair/ replacement of parts including transit of the Product or its parts or any period during which the Product has not been used whether under warranty or otherwise shall not be excluded from the warranty period and no extension of the warranty period will be granted.
- In the event of non-availability of components or parts due to any reason whatsoever, neither Kohler India nor its Authorized Service Franchisee nor the Dealer will be responsible or liable for any delay that may be caused to service/ repair of the Product. In the event that the same model or colour is not available for replacement, Kohler India or its Authorized Service Franchisee will replace the defective Product with an equivalent model or colour.
- Kohler India may, at its discretion, retain any part or component replaced during the warranty period.
- For Faucet, Sanitaryware and Bathing products sold in India, only this Warranty document is applicable. Any reference to any other warranty document will not be considered. This is Kohler India's exclusive written warranty. The decision of Kohler India regarding the warranty is final and binding. All disputes are subject to the exclusive jurisdiction of the courts of Gurgaon only.

Care and cleaning guidelines for Chrome and Vibrant® PVD colours /finishes – Sanitaryware, Faucets and Bathing Products

- Always test your cleaning solution on an inconspicuous area on the product before applying it to the entire surface.
- Do not allow cleaners to sit or soak on the product.
- Wipe surfaces clean and rinse completely with water immediately after applying cleaners.
- In the rare occurrence of stubborn stains on Cast Iron surfaces, use abrasives or abrasive cleaners sparingly.
- Clean stainless steel surfaces once a week. Do not use cleaners containing chloride on stainless steel. If used, rinse the surface immediately to prevent corrosion.
- Wherever gold or platinum is used on decorative products, use only warm water to clean and then dry with a soft cloth.
- Use a soft dampened sponge or cloth to clean, never use abrasive material like a bristle brush or scouring pad.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.
- Use a mild detergent (such as dishwashing soap). Do not use abrasive cleaners.
- Rinse and be sure to wipe the entire surface dry.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.
- Use a mild detergent (such as dishwashing soap). Do not use abrasive cleaners.
- Rinse and be sure to wipe the entire surface dry.
- Do not use cleaners containing ammonia, bleach, or acid. Most toilet cleaning products have high acidic content which can damage the chrome finish, hence they should not be used to clean chrome finish.

The ideal cleaning technique is to always blot dry any water from metal surfaces. Allowing water to evaporate on metal will form water deposits. It is important to use a dabbing action to dry metal, not an abrasive or rubbing action. Cleaning with a damp sponge and buff drying should keep your faucet safe.

SHOWER DOOR ENCLOSURES WARRANTY TERMS & CONDITIONS

Kohler India Corporation Pvt. Ltd ("KOHLER India") shower door enclosures ("Product") are warranted to be free of defects in the material and workmanship for the period of 5 years, commencing from date of sale of Products to the original purchaser ("warranty period").

During the warranty period if (in the opinion of Kohler India) the defect in the products is due to defect in the material or workmanship, Kohler India or its Authorized Service Franchisee/Representative will, at its sole option, repair or replace it free of cost, any defective component or part of the products, subject to the terms and conditions described below:

1. Kohler India or its Authorized Service Franchisee solely can service/repair the Product. Kohler India and its Authorized Service Franchisee will repairs or replace the products under this warranty within a reasonable period of time, as determined by Kohler India or its Authorized Service Franchisee performing the repair or replacement.
2. This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests.
3. This warranty does not include payment of or responsibility for any excise duty, central taxes, state taxes and octrol or other local taxes assessed to the parts supplied or repaired during the warranty period.
4. This warranty shall automatically terminate upon the expiry of the warranty period even if the Product has not been installed after purchase or has not been in the use for any part or whole of the warranty period for any reason whatsoever.
5. In the event of any repairs/replacement of any parts of the Product, this warranty shall thereafter continue and remain in force only for the unexpired period of the warranty. Any time consumed for the repair/ replacement of parts including transit of the Product or its parts or any period during which the Product has not been used whether under warranty or otherwise shall not be excluded from the warranty period and no extension of the warranty period will be granted.
6. This warranty remains applicable only if the Product has at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled. Reckless handling of the Products automatically terminates and nullifies this warranty. This warranty does not cover problems arising from excessive water impurities or improper care and cleaning. Guidelines for proper care and cleaning are mentioned below. Kohler is not responsible for labor charges, installation or other incidental or consequential costs. Kohler is not responsible or liable for any special or consequential damages due to the defective Product, or due to defects of any component or part thereof. In no event shall the liability of Kohler India exceed the purchase price of the Product. Improper care and cleaning will void the warranty.
7. In the event of non availability of components or parts due to any reason whatsoever, neither Kohler India nor its Authorized Service Franchisee nor the Dealer will be responsible or liable for any delay that may be caused to service/repair of the Product. In the event that the same model or color is not available for replacement, Kohler India or its Authorized Service Franchisee will replace the defective Product with an equivalent model or color.
8. Kohler India may, at its discretion, retain any part or component replaced during the warranty period.
9. For Shower Enclosures sold in India, only this Warranty document is applicable. Any reference to any other warranty document will not be considered.
10. This Limited Warranty does not cover:
 - Claims for loss of use / inconveniences due to any damages caused by lightning, fire, flood, accident, negligence, misuse.
 - Product that has been damaged due to installation, repairs, alteration or modification by unauthorized service organizations or persons.
11. Clean Coat application provides the water to form as individual droplets on glass surface which enables cleaning of glass easier in comparison to normal glass. Recommended cleaning of glass surface with a soft cloth after every use.
12. Glass being a fragile item will not be covered under warranty.
13. Kohler India reserves the right to amend the terms and conditions if necessary.

This is Kohler India's exclusive written warranty. The decision of Kohler India regarding the warranty is final and binding. All disputes are subject to the exclusive jurisdiction of the courts of Gurgaon only.

Care and cleaning guidelines

- Do not use commercially available cleaners on the glass surface. Commercially available cleaners typically have acidic content which deteriorates the Clean Coat life and performance.
- Wipe glass surface only with water or mild soap solution and wipe with soft cloth.
- Use a soft, dampened sponge or cloth to clean. Never use abrasive material like a bristle brush or scouring pad.
- Clean hardware surfaces once a week with water and soft cloth. Do not use cleaners containing chloride. If used, rinse the surface immediately to prevent corrosion.
- Do not use oil or grease on the hinges, pivot and sliding rails.

Notice: Failure to comply with these cleaning instructions may void Kohler's warranty obligations.
